# EVERYTHING MATTERS

“ *Everyone in production, merchandising, design & quality pursues one goal: the optimum solution for each client.* ”

## Our goal

**Committed to helping apparel firms engage with manufacturers and distributors across the world.**

## Our ethos

**Abreast with the core values of your apparel brand and market capacity and we desire to help you achieve the visions of your brand.**

## Our strength

**We don't only source high-quality apparel at competitive prices but also monitor and test the products at each stage of the manufacturing process.**

## Our approach

**Our teams capable of ensuring partner manufacturers countries adhere to eco-safety protocols and deliver ecologically safe products.**

# ABOUT US

**Universal Clothing Limited**, a global apparel sourcing company committed to helping apparel firms engage with manufacturers and distributors across the world. Over the years, It has consistently managed and streamlined the operations of diverse apparel brands, impacting financial success and specialization. To say the least, we do not only source high-quality apparel at competitive prices but also monitor and test the products at each stage of the manufacturing process. At this juncture, we can state that we are abreast with the core values of your apparel brand and market capacity and we desire to help you achieve the visions of your brand.

At Universal Clothing Limited, we offer all-inclusive outsourcing services of not only apparels but also associated products like Pet Apparels, Home furnishings, handicrafts, accessories etc.

Our services include management of total sourcing programs with collaborations with manufacturers, printers, distributors, and retailers.

We also support our suppliers with Quality training, technical guidance, methods of cost reduction and Inspection Support.
